OR
SIGN OF LIFE
POSTCARD
FROM A FAMILY
THAT SURVIVED AN
ALLIED BOMBING
RAID IN NÜRNBERG
OCTOBER 1944

This sort of rare 4 x 5-1/2 inches two-sided postcard was printed during the Third Reich for use by victims and survivors of Allied bombing raids to help them let family members and loved ones know they were alright, or where they had relocated to, IN TEN WORDS OR LESS.

This example of a Nazi *Lebenszeichen* or *Sign of Life* card was sent to a Fräulein in Ludwigshafen on 10 September 1944, letting her know that the senders were *Mit Gottes Hilfe gesund* or "healthy with God's help", apparently after they had survived a bombing raid. Good used condition.

This original 1944 Nazi *Lebenszeichen* is ****SOLD****.
